Dear Harold,

I haven't written to you in ages. I hope your health is holding up OK and that you are not in too much pain or discomfort if it isn't.

I have Whitewash I-IV, Post Mortem, Oswald in New Orleans, and Frame Up. Have you ever published any other books? If so, how can I purchase a copy from you?

I understand that you wrote an "unpublished" book entitled Coup D'Etat. Did you write other "unpublished" books? I would like very much to obtain copies of Coup D'Etat and any other unpublished manuscripts you wrote. How much money should I send?

Have you ever drawn together a "Harold Weisberg Bibliography" i.e. a list of books and articles which have been ~~published~~ written by or about you? I'd

(over)

like to get a copy of such a "bibliography" from you if you have. Please advise.

I hope all goes well.

Sincerely,

Mark Reynolds
